millerg6 @Shamlet 2 many knights in shining armor & not enough team building/collab. Change needs 2 b owned by teachers & supported by admin. **#ecosys** -9:37 PM Apr 15th, 2012

toughLoveforx @sourcePOV Cept in US there are many Pub Sys in good neighborhoods that are top flight. Subsidized by taxes. **#ecosys @millerg6** -9:37 PM Apr 15th, 2012

toughLoveforx @Shamlet Sustainable change is a change of School Culture. Sometimes fast. Often takes time. **#ecosys @sourcePOV** -9:36 PM Apr 15th, 2012

toughLoveforx @Shamlet Not so much the turnaround principal. More the principal in charge that caused need to turnaround. **#ecosys @sourcePOV** -9:35 PM Apr 15th, 2012

sourcePOV @millerg6 @toughloveforx .. hmm .. "CN HC free, basic, but wealthy get what they need" .. sounds like US ED !? **#ecosys** -9:34 PM Apr 15th, 2012

sourcePOV @millerg6 exactly; policy as a function of influence, not what's needed; m/b we should start a "whats wrong w/ politics" chat .. **#ecosys** -9:33 PM Apr 15th, 2012

toughLoveforx @millerg6 #ecosys Yep. I think the move to more patient ownership of HC will also play out in CA with new technology. -9:32 PM Apr 15th, 2012

millerg6 @sourcePOV We are watching that play out in an election campaign up here right now. They'll say anything to get elected. **#ecosys** -9:32 PM Apr 15th, 2012

millerg6 @toughLoveforx #ecosys We have free HC up here but waits are forever and treatment basic. Those who can afford get what they need. -9:30 PM Apr 15th, 2012

toughLoveforx @millerg6 #ecosys similar to edu in the States. Total growth of Public Ed in last ten years is recent latino migrants. -9:30 PM Apr 15th, 2012

sourcePOV @Shamlet @millerg6 so do u guys think CN provincial (roughly = state?) decentralization overall ++ effective than US? Diff: Med/ED? **#ecosys** -9:30 PM Apr 15th, 2012

millerg6 @sourcePOV Actually, I think policy makers talk a good talk but the rich keep getting richer and the poor stay poor. **#ecosys** -9:29 PM Apr 15th, 2012

sourcePOV @millerg6 yes, I think money in both "social ecosystems" is hugely problematic, doesn't seem to flow where it needs to .. **#ecosys** -9:28 PM Apr 15th, 2012

toughLoveforx @sourcePOV Obamacare is first move to Health Care as a Right. Still lots more work to do. **#ecosys** -9:27 PM Apr 15th, 2012

sourcePOV @millerg6 hmmm A3 .. so "work to maintain order" implies .. fair treatment, equal access, aka Obamacare aka NCLB !? :o **#ecosys** -9:27 PM Apr 15th, 2012

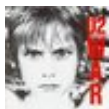

Shamlet @sourcePOV #ecosys In Canada, HC and EDU are decentralized: provincial responsibilities. Federal govt helps with HC funding, that's it. -9:27 PM Apr 15th, 2012

toughLoveforx @Shamlet Not so much heroic individuals competent principals. Most turnaround schools principals are incompetent **#ecosys @sourcePOV** -9:27 PM Apr 15th, 2012

Shamlet @toughLoveforx @sourcePOV #ecosys If the overall system is sound, it would depend less on "heroic individuals", no? -9:25 PM Apr 15th, 2012

toughLoveforx @Shamlet In States we have lots of choices with docs if you have good insurance. Public Ratings are common. **#ecosys @sourcePOV** -9:25 PM Apr 15th, 2012

sourcePOV Q3b Politics/Policy in HC/EDU .. what have we learned from Ed DOE? Obamacare? Is role of Fed gov't shifting? stable? an issue? **#ecosys** -9:25 PM Apr 15th, 2012

Shamlet @toughLoveforx @sourcePOV #ecosys A great extent to which a person doesn't have a choice. Much easier to critique a teacher than a doctor. -9:25 PM Apr 15th, 2012

toughLoveforx @sourcePOV Growth of alternate medicine keeps growing. A bit like Homeschooling in edu. **#ecosys** -9:25 PM Apr 15th, 2012
