JennaR @sourcePOV geez!!! read Drive already :) (tho the edu recommendations- not exactly. Principles? Core concepts- spot on) **#ecosys** -10:43 PM Aug 14th, 2012

sourcePOV @millerg6 love Mindset; probably last one around who hasn't yet read Drive (shhh don't tell on me) .. but I saw the TED clip :) **#ecosys** -10:41 PM Aug 14th, 2012

millerg6 @sourcePOV Yes. **#ecosys** -10:40 PM Aug 14th, 2012

JennaR @millerg6 but so often becomes standardizing and 'filling gaps' model... can be concerning... **#ecosys** -10:40 PM Aug 14th, 2012

JennaR @millerg6 greg- wld LOVE to talk UBD... important structure, but challenge for me is end-as-goal. When done w/dv't in mind- great! **#ecosys** -10:40 PM Aug 14th, 2012

millerg6 @sourcePOV After reading Mindset and Drive this summer, they need two things: 1.A growth mindset culture and 2.Intrinsic motivation. **#ecosys** -10:39 PM Aug 14th, 2012

sourcePOV @millerg6 DI .. differentiated instruction? **#ecosys** -10:38 PM Aug 14th, 2012

millerg6 @JennaR Agreed. After listening to Rick Wormeli on DI this summer,I see r most important work as convincing teachers 2 embrace this. **#ecosys** -10:37 PM Aug 14th, 2012
